The US Congress Delegation Appreciates the Development of the Forest City in Nusantara Capital City

NUSANTARA – Chairman of Nusantara National Capital Authority (NNCA), Bambang Susantono, welcomed the visit of a delegation of members of the United States Congress to the Nusantara Capital City development site. During the visit, US Congress Delegation member, Senator Jeff Merkley expressed his appreciation for the forest city development plan in Nusantara Capital City.

“Welcome to all the delegates. I am delighted that the delegates are visiting here. I always say that seeing is believing because witnessing the development first-hand is an immersive experience that truly captures the spirit of progress and innovation,” said the Chairman of NNCA on Thursday, (13/4/2023).

On this visit, the Chairman of NNCA invited the delegates to directly see the development in the Presidential Palace area. There, he explained several development plans around the palace, one of which was the building design in Nusantara Capital City. “We designed the building not like a skyscraper, but as a green building with international standards,” he said.

Representative of the US Congress Delegation, Senator Jeff Merkley, revealed that he hoped to return soon to see the results of the Nusantara development. According to him, the plan to maintain around 2/3 of the area as a forest is a great opportunity. “This is an opportunity to create something that will be noticed by the whole world,” he said.

Also present on the visit was the Deputy Minister of the Ministry of Environment and Forestry, Alue Dohong, and the Deputy for Environment and Natural Resources of NNCA, Myrna Asnawati Safitri.
